MEXICO & CARIBBEAN TRAVEL SPECIALIST

Traveling is the best way to enhance our lives and enjoy the world. With a **passion for beach destinations and European travel**, I love sending people on their best vacation yet and hearing all about their wonderful experiences!

I **specialize in honeymoons and romantic travels, plus general vacations for families** around the world! I got into the business nearly three years ago after being a high school teacher and bridal consultant.

My love for travel and lifelong planning skills made me interested in the travel industry, and I soon joined a local agency where I quickly became the **lead agent in the company**. I enjoy organizing all the details of a trip and watching it all come beautifully together.

Hearing my client's rave about their trip makes everything worthwhile, and I do my best to **make each vacation stress-free and exciting for all**. I do this by listening to you and finding the best

accommodations and local activities. I **simplify the booking process** so you never have to worry about a thing. All you have to do is tell me what you want and then enjoy it upon departure!

I have lifelong experience with the travelling all over the globe, and some of **my most booked destinations include:**

- Mexico
- Dominican Republic
- Jamaica
- Hawaii
- Western Europe (especially motor coach tours and river cruises)

Many of my clients focus on **all-inclusive vacations and luxury cruises**. To always provide the best services, I have **training and certifications from a number of entities including:**

- Viking River Cruises
- Palace Resorts
- Couples Resorts
- Karisma Resorts
- Walt Disney World Travel
- Royal Caribbean
- And more!

I love sending families to Disney World and on Disney Cruises among other exciting destinations. Along with families, I also **focus on memorable honeymoons** in idyllic locations with an assortment of activities.

My father was born in India, and I was able to travel there numerous times while growing up. Learning about other cultures as a child inspired me to travel further and see the world. Today, **I'm proud to help others experience the same magic!**

Talk with me today so I can help you have the vacation of a lifetime!
